PHARMACY INTERN PROGRAM

 **MINISTRY HEALTH CARE**
today. tomorrow. together.®

Ministry Health Care is a patient-focused health care system that has 15 hospitals and comprehensive home care services throughout central/northern Wisconsin and Minnesota.

PHARMACY INTERNSHIP

Our values driven system, centered on patient care and patient outcomes includes nationally a recognized, Magnet®, Thompson Top 100 Performance hospital, one of the most wired hospitals in the nation, and a leader in home care services.

As a pharmacy intern in our system you will have resources and connectivity in a team oriented environment with a focus on **quality, high performance, and service**. Our pharmacy education system includes clerkship sites, internship positions, an ASHP accredited residency program and a PGY2 Health System Administrative Residency.

As a pharmacy intern you will have the opportunity to put your didactic learning into practical experience. You will be given the opportunity to work with a pharmacist on various projects; have involvement with hospital committees such as the Pharmacy and Therapeutics Committee, participate in patient care rounds in different clinical areas, and learn the basic functions of a hospital pharmacy technician.

Projects may include but are not limited to the following with the discretion of the program coordinator:

- Drug class review
- Formulary management
- Patient safety initiatives
- Projects based on current needs of the hospital
- Drug information requests
- Medication use evaluation

Application Process: All pharmacy applicants need to fill out an online application at ministryhealth.org and then click on Careers. A phone interview will be required.
