2011 ANNUAL REPORT

INSPIRED TO

Make a Difference

Our story began in 1989, when a group of 150 individuals, businesses and organizations founded Saint Michael's Foundation with the mission to develop, manage and grant charitable support to meet the health care needs of

the community. Since then, Saint Michael's Foundation has provided over \$2 million to support the tradition of serving others, fulfilling health related needs and strengthening lives in our community by helping serve the poor and those in need.

Your philanthropic generosity this year has continued to impact numerous lives in our community. It has taken each one of you to make a difference of this magnitude. We applaud you, and thank you for being partners in our mission.

Within the next pages, our story will be told through snapshots of those individuals whose lives have been impacted by your generosity. Their stories are inspirational, provide us hope and confirm that through the generosity of every gift given to Saint Michael's Foundation this year, we are making a difference in our patients' lives.

Jeffrey L. Martin

Ministry Saint Michael's Hospital

Grace
Wroblewski

Grace

A routine exam with her Ministry physician resulted in news she didn't want to hear. It was breast cancer. Staying ever-positive, Grace opted for surgical removal of the tumor, and then took several weeks to heal from surgery before she started radiation therapy at Ministry Saint Michael's Oncology Services with Dr. Michelle Mackay.

"My entire oncology team was so professional and so compassionate. They not only provided me excellent care, they treated me so well. They are just a great group of people. I was so fortunate to have this great care only a few miles from my home in Plover," said Grace. Cancer-free for over 9 months, Grace's laughter fills the room and she continues to be able to enjoy her grandchildren, her beautiful garden and trips up north to the family cabin with her husband.

Kenny and Liz
Schwartz

John Paul

John

John is a typical 10-year-old boy. He loves Doritos, his family, and television, but strongly dislikes the family cat. His anxiety from a previous bad dental experience, coupled with his eidetic memory, which gives John the ability to recall images, sounds, or objects with extreme precision, meant his mother struggled to get him to the dentist for years. Then they were introduced to the staff at Ministry Dental Clinic. His mother, Lesley, recounted his visit to Ministry Dental Clinic this summer: "I cannot thank John's dental team enough. They were phenomenal and so attentive to all his needs. It was truly amazing that they were able to coordinate everything for us so that we were able to get John's dental exam, X-rays and sealants all done during one exam. They are an unbelievable team!"

Cheryl

Nine years ago, Cheryl suffered a major heart attack. Luckily, Cheryl survived the heart attack but was left to navigate several prescriptions to help aide her recovery following her hospital stay. Due to several challenging life situations, Cheryl was unable to afford all the expensive prescriptions she was prescribed, so she felt very fortunate to have Ministry Saint Michael's Medication Assistance Program (MAP) assist her.

"It was a life saver. The MAP staff treated me with respect, just like I was family. I couldn't believe it," said Cheryl. Unfortunately, her difficult journey continued. In April 2011, Cheryl was diagnosed with cancer and again had to face the reality of having to pay for expensive prescriptions she was unable to afford. "Because of the Medication Cost Relief program, I didn't have to suffer in pain while waiting for my prescriptions. I seriously do not know what I would do without them. They literally saved my life."

Medication Assistance Program (MAP) Team (L-R): Nicole Rineck, program coordinator; Christina Krueger, Medication Assistance Program specialist; and Karen Kewer, patient financial counselor. Sid Ellenbecker, pharmacist, is not pictured.

Kenny

In May 2010, Kenny and his wife, Liz, visited the doctor because Kenny had been having stomach pain. The news wasn't good – it was inoperable stomach cancer. Liz had read about hospice and knew it was a service that allowed people to stay at home and receive the care and support they needed to have a good quality of life when there was no longer a cure. She asked about hospice for Kenny, and their doctor helped them make that connection.

Throughout their care, the Ministry Hospice team coached and assisted both Kenny and Liz so they could continue to have the quality of life they wanted in the comfort of their home. Two months later, Kenny died, peacefully surrounded by Liz and his family. His stepdaughter wrote, "I thank Hospice for allowing my mom and Kenny the opportunity to spend their last months together in their own home, living life the way they always had."

Projects Funded by Saint Michael's Foundation

Saint Michael's Foundation supports the care provided by Ministry Saint Michael's Hospital and Ministry Medical Group by funding a variety of initiatives, including remodeling projects, capital purchases and program development, all of which improve the hospital's ability to care for our patients with the latest technology and in settings close to home. Initiatives and program supported by Saint Michael's Foundation in 2011 include:

- **Bariatric Support Group**
- **Gas Cards for Oncology Patients Unable to Keep Appointments Due to Gas Prices**
- **HALO Sleep Sacks for Newborns for the Women & Infant Center**
- **Curing Lights for Fillings and Sealants at Ministry Dental Center**
- **Christmas in Oncology**
- **Parenting the First Years Newsletter Series**
- **Scholarship for Health Care Careers**
- **Hat and Wig Gifting Program**
- **Blankets for Project Embrace™**
- **New Sterilization Equipment for Ministry Dental Center**
- **New Display Cabinet for Sleep Apnea Department**
- **Walk for Hope Sponsorship**
- **Living with Schizophrenia Community Speaker**
- **Waiting Room Upgrade**
- **Ministry Dental Center's Optime Digital Imaging System**
- **Cribs for Kids Program**
- **Medication Cost Relief**
- **Happiest Baby on the Block Classes**
- **ImPACT™ Concussion Testing for Area Athletes**
- **Living with Cancer Support Group**
- **Literacy for Little Ones Program**
- **Empathy Belly for Lamaze Classes**
- **Grocery Gift Cards for Patients Unable to Purchase Food**
- **Community Weight Race Sponsorship**
- **Ministry Saint Michael's Child Care Subsidy**
- **Cavitron Ultrasonic Device for Ministry Dental Center**

(Left) The newly remodeled Women & Infant Center lounge.

(Below) A Ministry Dental Center patient receives dental services.

(Above) Project Embrace™ provides warm blankets to oncology patients.

(Right) Over 800 participate in the Community Weight Race.

(Left) Ministry Point Sports Medicine Center staff work to help schools and athletes understand the severity of concussions through Immediate Post-Concussion Assessment and Cognitive Testing, or ImPACT.

INSPIRED TO *Help*

FRIENDS of the FOUNDATION

Saint Michael's Foundation has the privilege to work with numerous individuals, families, businesses and organizations who believe in the healing work of Ministry Saint Michael's Hospital and Ministry Medical Group.

We could not do the important work we do without your charitable gifts.

We sincerely thank the following individuals, businesses and organizations for their generosity to Saint Michael's Foundation. We are blessed to live in such a caring and philanthropic community.

Together, we can continue to make a difference in the lives of others.

This report reflects gifts received between October 1, 2010 and September 30, 2011.

SAINT MICHAEL'S
FOUNDATION

BOARD of DIRECTORS

Each of us who proudly serves Saint Michael's Foundation as a member of its board of directors, does so for our own individual reason. It is not for our business, our organization or a governmental entity—but rather for the people who are the foundation upon which our community is built. We believe that a strong community health facility, like Ministry Saint Michael's Hospital and Ministry Medical Group, is important for our community and for the people who live here.

We believe Saint Michael's Foundation has contributed greatly to the quality of life we all enjoy. We also believe that, after reading the stories of the patients documented within these pages, and the annual reporting of the Foundation's accomplishments and progress, you'd be hard-pressed not to agree. We extend our gratefulness to each of you for believing in our mission and for assisting us in continuing the strong tradition of Ministry Saint Michael's Hospital and Ministry Medical Group in our community.

INSPIRED BY *Your Generosity*

What inspires a person to give back is unique to their own story and experience. I have found in my first year with Saint Michael's Foundation that it is very personal to each person on why they give back. Through the conversations and stories I've had the privilege to be a part of this year, I have found that their reasons of why they give help tell our story—the story of our mission, our history, our compassion for our patients, and the impact we've had on our patients and their families.

"As a family, we are especially grateful for the empathy, compassion, and high quality of medical care that Ministry Hospice provided our Father during his last months and days."

—Ministry Home Care-Hospice Fund Donor

"Just a little note to let you know how much LifeLine helped our family. If it hadn't been for LifeLine, my mother would have died by herself without any help. LifeLine gave us time for the whole family to make it home to be with her during her final time."

—Lifeline Fund Donor

"We are pleased to be able to celebrate my mother's life and honor her memory by enriching, in some small way, the service of your hospital. We are grateful for all that is done through Saint Michael's Foundation to provide health and well-being in our community."

—Ministry Dental Center Donor

"God has been good to me and my wife of 60 years. God will bless you all—especially with all the needs you have. We hope this donation will help in your work."

—Cardiac Services Fund Donor

If you feel inspired to make a difference in our community in the year ahead, I urge you to contact Saint Michael's Foundation. Through monetary gifts, volunteering or through a planned gift—whatever the size—it makes you a partner in the healing work of our hospital. And, it makes you a partner in our legacy of the story of Ministry Saint Michael's Hospital and Saint Michael's Foundation.

We sincerely appreciate your generosity. We simply could not do this important work without each of you.
