Agape Community Center understands its obligation to youth and families. The Family & Youth Services program offers an array of opportunities for youth, teens, and young adults.

The After School Program (ages 6-15) provides a balanced mix of academic support, sports, recreational activities and cultural experiences.

Under the guidance of trained and experienced staff, youth are provided a positive environment and programs designed to assist in dealing with the social and developmental issues impacting their lives.

Services include:

- Individualized service strategies
- Social skills development through curriculum based individual and small group interactions
- A focus on Behavioral Modification through workshops designed to address conflict resolution, communication, bullying and anger management
- Life Skills Training
- Substance Abuse Prevention and Intervention workshops
- Academic skill building and tutoring
- Group activities to promote healthy interaction, reflection and goal setting
- Activities focusing on community awareness, family relationships and resources

Agape also provides services and programs to youth, ages 16 through 18, and young adults. Our goal is to ensure that each individual is provided a safe learning environment where they can develop key skills necessary to become healthy and independent adults.

Agape Community Center services include:

- Curriculum based intervention and prevention services
- Job skills training
- Academic assistance and Literacy Tutoring
- GED Preparation
- Support Services
- Project-based community leadership opportunities
- College preparation
- Life Skills training
- Independent Living workshops covering money and household management, transportation, and other key skills
